

Career Opportunity

Beausejour Co-op is hiring a Sales Agronomist for our new Agro site located in Beausejour.

Who we are:

Co-op does business differently. As a co-operative, we believe in working together to serve our members, delivering profits back to our communities and investing in sustainable growth. To learn more about who we are and how you can help bring our brand to life, visit us at beausejourcoop.crs.

What you'll do:

- Marketing and sales for seed, fertilizer, and pesticide products to customers while achieving sales, margins, and inventory targets
- Providing agronomic information and advice on seed, pest identification, crop protection, and crop nutrients so co-op customers can make informed decisions based on reported findings
- Working with growers on crop planning and troubleshooting
- Maintaining direct and regular contact with customers on supply, pricing trends, and promotions
- Providing field scouting for customers and providing information on crop growth, weeds, disease, insects, plant counts, root evaluations and maintaining detailed records.
- Supporting and participating in field trials
- Participate in ongoing information learning, training and development
- Other duties as required

Why it matters:

Our team provides a range of products and services to support our member-owners. Through the work that we do, we help to fuel, feed and grow our local communities.

Available positions:

- Full-time Agronomist
- Available to work 40 hours per week, as well as overtime in peak seasons or emergency situations

Who you are:

- You have a post-secondary education in Agriculture with a preference in Agronomy
- You possess or are interested in working towards your CCA or P.Ag
- You have intermediate computer skills including Microsoft Office
- You approach work with a positive attitude, integrity and strive to be the best in what you do
- You believe in building relationships and collaborating to deliver solutions that matter most, and you recognize the value that different perspectives bring to meet shared goals

Our Team Members receive competitive salaries, a comprehensive benefits package and an employer-contributed pension plan. We encourage our Team Members to take advantage of learning opportunities, to grow and develop and to foster a culture of teamwork and innovation.
